Proposed Rule:

RESOLVED, that to authorise the management committee under 32.2 of the Club's constitution to fund renovation works at the Club's The Cathay premise of up to SGD 300,000 by securing a bank loan of not more than 5 years tenure at competitive market interest rate and/or raise fund from club members.

The management committee is further authorized to negotiate and finalize the terms of bank loan and to execute all necessary documents to effectuate the loan.

Explanation & Reasons for Amendment:

Background: Payment for the club's renovation work at The Cathay will require using the club's cash from matured fixed deposit. There will be lesser cash available for new fixed deposits resulting in lesser interest earned from fixed deposits.
